

**Scenario # 127**  
**Defending the Alamo**

**Concealment - Vickers Count**

Shooter begins seated on the edge of the bed at Position 1. His primary and secondary weapons are by his side and have only five rounds loaded in each.

At the signal retrieve the primary weapon and engage Targets T1 through T5 with one (1) shot each in **tactical order**. Then (continuous fire) re-engage Targets T1 through T5 with the back-up weapon in **any order**.

There are two scored hits per target. You only have 10 rounds total to protect the Alamo, make them count !
